**TEN BECAUSES.**—A hundred reasons might be given why Lyon's Kathairon should be used by every intelligent human being in preference to every other preparation for the hair, but ten will suffice. Here they are: Because it nourishes the fibres, multiplies them and makes them grow; because it thus prevents them from withering and bleaching; because it removes the scurf and dandruff which choke the hair; because it keeps the scalp cool and prevents eruptions; because it renders the hair as lustrous as satin; because it makes it pliant and elastic; because it is a fragrant and delightful dressing; because it does not soil the pillow, the cap or the hat; because it is without a rival in cheapness, and because no other article sold for the same purpose, in this or any other country, possesses all, or even one-half, of these invaluable properties.

**HALL'S VEGETABLE SICILIAN HAIR RENEWER.** Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY or FADED HAIR to its youthful color, making it soft, lustrous and silken. The scalp, by its use, becomes white and clean. It removes all eruptions, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid glossy appearance. A. A. Hayes, M. D., State Assayer of Massachusetts, says: "The constituents are pure, and carefully selected for excellent quality; and I consider it the Best Preparation for its intended purpose." Sold by all Druggists and Dealers in Medicines. Price One Dollar.

**Buckingham's Dye, FOR THE WHISKERS.** As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is selected for its purity, and produces a color which will neither wash off, nor wash off. Sold by all Druggists. Price fifty cents. Manufactured by R. P. HALL & CO., NASHUA, N. H. May 21 4

**AYER'S Sarsaparilla** IS widely known as one of the most effective remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruption of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful curative, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Eruptions, Boils, Pimples, Fungus, warts, &c. A sore on the Face, Head, Ringworm, and internal Ulcers of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison. It is an excellent restorer of health and strength in the spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
